Subject: item for Dimock daily update

John - if you could include in today's update, that would be great. Thanks! Jennie

PA Liaison Update - Dennis Carney, Cecil Rodrigues, and Jennie Saxe participated with HQ OCIR (Pamela Janifer) in a briefing for House Energy and Commerce majority staff and Senate Environment and Public Works minority staff. Background on the situation, EPA's involvement, and authorities were covered and questions about response cost, constituents found in water samples, potential link to Cabot, state involvement, and scope of investigation were fielded.
